A two to three-day 'shoot' was organised in Cuckney, (Air-guns only), by local gamekeeper Mr Dave Betts who granted Mathew and Neil permission to cull Crows, Jackdaws, Pigeons and Rats. The chosen area was the 'rookery' opposite Cuckney Cricket Club grounds on Langwith Rd;

Be in the know with the Cuckney Crow

The shoot must have been successful because by Thursday the crow, jackdaw and pigeon population had shrunk by half.
