

Steve Carver Aerobatic Display

In recent years, since the 1980s, there has been a wide use of the gyroscopic forces from the propeller and engine giving some very unusual effects.

Watch in wonderment as Steve flies sideways and backwards, performs somersaults, looping and rolling and making the aeroplane do unexpected things.

The Ambassadors of Barrowash Showband

With their brand new show now choreographed to music, the Ambassadors of Barrowash are guaranteed to entertain, both visually as well as audibly.

The colourful uniforms complement the intricate marching movements and the display patterns that are formed. Competent musicians perform a wide and varied selection of music on brass, woodwind and percussion instruments that ensures their arena show will be a truly spectacular event.

Having performed at events such as Spalding Tulip Parade and the Lions Club International World Jamboree at Birmingham, the biggest parade in Europe with over 10,000 people in procession, they certainly know exactly how to entertain.

WARSOP CARNIVAL

7th July 2013

THE HEROES RETURN

The heroes survived the flood and they're back to prove that nothing can stop the continuation of this fantastic local event.

The disappointment at the cancellation of last year's Warsop Carnival is impossible to measure. It's a day filled with family entertainment and activities enjoyed by all who visit and an important fundraising opportunity for local charities and groups. None felt it more than the Carnival Committee who have endeavoured, against all odds, to bring the plans of last year back to life. You can expect the same quality arena acts, stalls, side shows, circus workshop, and not forgetting the ever popular fairground attractions and much more!

In 2012 we chose HEROES as the theme to give everyone the opportunity to honour their own hero, whether it's a local person, a fictional character, a past or present person, WWI or II, the Armed Forces, Firemen, or the Police. The list is endless and the traditional carnival parade which travel through the streets of Warsop, looks like being a true heroes celebration.

You can look forward to a fun filled day for all the family with arena entertainment which will include the Vander Brothers Wheel of Death and the Knights of the Crusade.

Unfortunately, due to the losses incurred over the cancellation of last year's event we may not be able to bring you the ever popular It's a Knockout Challenge. However, we have not given up hope and are aiming to try to find the funding to enable us to retain this successful additions to the event.

The Music Festival open air stage which was a new addition to Warsop Carnival in 2011 will be going ahead thanks to help from MDC and support from local artists.

If there are any local business that would like to sponsor an event at the carnival or if anyone would like to be involved with the organisation on the day please call or call in to Warsop Town Hall and a member of the committee will contact you.

STALL HOLDER FORMS are now available at Warsop Town Hall So if you are a local business, charity or catering firm call in now and book your stall to avoid disappointment.
