The Gate's Fundraising Success for ABF

The Gate Inn recently held a charity event in order to raise money for the Army Benovolent Fund (ABF).

Ex soldier Alan Wood (72) from Shirebrook who had his head shaved to raise money for the ABF shows his once long hair.

The Gate pub, which is situated on Church Street, Warsop, is a family run pub and Tina Drury, a Warsop resident for over 26 years, has been the landlady for the past 6 months.

Tina rose to the fund raising challenge after being approached by the parents of three local soldiers who asked The Gate would be willing to hold a fund raising event to for the ABF.

On August Bank Holiday Monday the fund raising kicked off with Warsop's first ever Wheelbarrow race which saw members of the local community racing through the streets in fancy dress.

The wheelbarrow race proved to be such a great success that it looks set to become an annual event. Several local people and businesses have already expressed an interest in being involved.

The fund raising continued on 3 September with a full day of family fun which included a group of soldiers playing tug of war, there was also a barbecue, a bouncey castle, live music from local band Headstock, a tombola and much, much more

throughout the day and evening. The whole day was a huge success and was enjoyed by all those who attended.

Tina comments, "I am so grateful for all the support I've received from both local residents and businesses which has helped to make this such a successful event".

Customers of The Gate pub showed their support by paying for the karaoke and all the barbecue food, while local businesses donated prizes for the raffle. The main prize however, was a fantastic weekend break for two which was donated by the Thoresby Hall Hotel.

But one of the main stars of the day was ex soldier Alan Wood (72) from Shirebrook who had his head shaved to raise even more money for the ABF.

Tina would like to say a massive thank you to everyone who helped, supported and attended both events and says she looks forward to having the opportunity to organize similar events in the future.

the Gate

pub and dining
